

Kentucky Autism Training Center
College of Education and Human Development
UNIVERSITY of LOUISVILLE

Presents
THE TOOL BOX

Thursday *April 26th, 2007* and Saturday *May 12th, 2007*

4/26/2007 and 5/12/2007

Kentucky Autism Training Center

Registration Begins at 8:30

Sessions are from 9:00-4:00pm EST at the KATC

911 S. Brook Louisville. KY 40203

9:00-11:00—Community Resources- Finding resources in our community is often difficult. This session will provide families with information to guide them to resources available in the area.

12:15-2:15 —The ABC's of Behavior- Carrie Gabbard and Emily Kirkham

What can be done to address behavioral concerns in children, adolescents and adults with autism? Participants will learn basic Functional Behavioral Analysis (FBA), Data Collection and Reinforcement strategies.

2:15-4:15 Simple Strategies for the Home Environment– Carrie Gabbard and Emily Kirkham

For many families, it is difficult to determine what, supports are appropriate at home. This session will outline general home based strategies.
